Press Release No. 35

The Bolsa de Valores de Colombia awards the “Reconocimiento Emisores” (Acknowledgment to Issuers) to Constructora Concreto.

Medellín. The Bolsa de Valores de Colombia (BVC) awarded Constructora Concreto the “Reconocimiento Emisores” acknowledgment by highlighting the delivery of enough and timely information through channels that allow strengthening the trust and credibility of the investor community.

Said acknowledgment is awarded to the companies that adopt objective criteria set forth by the Sole Circulating Letter of the BVC in a voluntary manner, and that also meet some specific requirements. One of these is appointing a person who deals with the consultations from investors both in English and in Spanish, disclosing and updating the additional information regularly required on the website of the company in both languages, as well as publishing the financial statements with consolidated figures on a quarterly basis.

It is with pride that Concreto receives this acknowledgment which reaffirms its commitment as per informed decision making of the investors, as well as the effectiveness of management and information-related processes implemented to date which guarantee the good development of relationships between the Company and its groups of interest.
