

CONSTRUCTORA CONCRETO S.A.**Informes:**

Regarding the information that has been disclosed through the media, where it is indicated that Grupo Argos, as a shareholder of Pactia, would have requested that Concreto divest its participation in said real estate vehicle, we clarify that Grupo Argos did not make any request in that sense.

To clarify, we reiterate that a communication was received from one of Constructora Concreto S.A. shareholders at the company's management offices, requesting the transfer of a proposal to the Board of Directors for this corporate body to analyze it, being said proposal as follows:

1. Excision of the investment that the Company has on Pactia.
2. Sale of Company's assets to partially use said resources in a buyback of shares.

Said request, as said, will be transferred to the Board of Directors for its consideration.
