

CONSTRUCTORA CONCRETO S.A.**Reports that:**

Through Resolution 51905 of 2019, the Superintendent of Industry and Commerce resolved the appeals filed against Resolution 27305 of the same year, confirming the sanction imposed on July 10, 2019 to Constructora Concreto S.A. worth 26,085 current legal minimum monthly wages. For the Superintendency, the Company would have breached the instructions of said entity during the preliminary inquiries that were advanced due to alleged anti-competitive practices within the selection process that led to the awarding of the Bogotá – Girardot Third Lane. Not being in accordance with the decision contained in the Resolution in question, the Company will bring the relevant legal actions before the courts.
