

CONSTRUCTORA CONCRETO S.A.

States that:

Through Resolution 28751, dated June 16, the Superintendency of Industry and Commerce made the decision to file the investigation for alleged collusion in the bidding process of the Private Initiative of the Bogotá – Girardot Third Lane Project. After an administrative action of nearly three years, the Superintendent received the recommendation from the Superintendent Delegate to proceed to file the process, as he had not found merits to sanction for any of the charges.

The decision ratifies Concreto's fair, transparent and competitive behavior and, especially, its commitment to the development of our country's infrastructure.
