

## CONSTRUCTORA CONCONCRETO S. A.

### States that:

Today, together with other investors, a Subscription Agreement was entered into, the Objective of which is to regulate the manner in which they will participate in the construction and operation of the *Doble Calzada Oriente* road infrastructure project. This project had been awarded by the Department of Antioquia in January 2021 to the plural structure called **DOBLE CALZADA ORIENTE, DCO**, of which the Issuer is a part. The perfection of the aforementioned Subscription Agreement is subject to the compliance of typical closures for this class of operations.
